2021 IMHTCT Overseas Training Program in Vietnam-Online

2021 IMHTCT Overseas Training Program in Vietnam-Online is organized by International Mental Health Training Center Taiwan (hereinafter called IMHTCT). The programs aim at mental health collaboration with Vietnam, and to provide training courses in Vietnam for professionals working in psychiatric and public-health-related area. Due to COVID-19 pandemic, the on-site training will be replaced by online training first and depends on the condition of COVID-19 in progress.

International Mental Health Training Center Taiwan (IMHTCT) is an institution under the authority of the Ministry of Health and Welfare (hereinafter called MoHW), Government of Taiwan. The center is composed of five (5) hospitals; namely Kaohsiung Municipal Kai-Syuan Psychiatric Hospital, Taoyuan Psychiatric Center (MoHW), Tsaotun Psychiatric Center (MoHW), Jianan Psychiatric Center (MoHW), Taipei Veterans General Hospital Yuli Branch. The mission of this center is to integrate mental health network of Taiwan and to collaborate with international mental health institutions.
